

APERITIVES

Goodbye

In most pubs just the usual farewell, but for the guests in the **Wiener** for over 40 years a firm promise. Anyone who has spent an evening at Hermanngasse 27a will definitely come back. It is this incomparable ambience in combination with an exquisite cuisine that has already magically attracted the stars of the art scene in the 1980s.

And one man in particular makes sure that nothing will change anytime soon: Hannes. For decades, the legendary **Wiener** owner and his team have been pampering their guests just like on their first day.

So then: Goodbye!
